

# No More Tears

Ozzy Osbourne

The light in the window is a crack in the sky  
A stairway to darkness in the blink of an eye  
A levee of tears to learn she'll never be coming back  
The man in the dark will bring another attack  
Your momma told you that you're not supposed to  
talk to strangers  
Look in the mirror and tell me do you think your life's in danger yeah  
No more tears (echo)  
Another day passes as the night closes in  
The red light goes on to say it's time to begin  
I see the man around the corner waiting, can he  
see me?  
I close my eyes and wait to hear the sound of someone screaming here  
No more tears (echo) It's just a sign of the times  
Going forward in reverse  
Still  
He who laughs last  
Is just a hand in the bush  
So now that it's over can we just say goodbye?  
(I'd like)(I'd like)  
I'd like to move on and make the most of the night  
Maybe a kiss before I leave you this way  
Your lips are so cold I don't know what else to say  
I never wanted it to end this way my love my darling  
Believe me when I say to you in love I think I'm falling here  
No more tears (echo) Is just a hand in the bush (echo w/ fadeout)
