

# Written In the Stars (feat. Eric Turner)

## Tinie Tempah

Oh written in the stars  
A million miles away  
A message to the main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way Lets go...  
Yeah  
You're listening now  
They say they aint heard nothing like this in a while  
Thats why they play my song on so many different dials  
Cause I got more hits than a disciplined child  
When they see me everybody brrrrrap's, brrrrraps  
Man I'm like a young gun fully black Barrack  
I cried tear drops over the massive attack  
I only make hits like I work with a racket and bat  
Look at my jacket and hat  
So damn berserk  
So down to earth  
I'm bringing gravity back  
Adopted by the major I want my family back  
People work hard just to get all their salary taxed  
Look I'm just a writer from the ghetto like Malory blackman  
Where the hells all the sanity at, damn  
I used to be the kid that no one cared about  
Thats why you have to keep screaming til they hear you out Oh written in the stars  
A million miles away  
A message To The Main  
Ooooh  
Seasons come and go But I will never change  
And I'm on my way ooh ooh ooh  
ooh ooh ooh  
ooh ooh ooh  
Yeah, I needed a change  
When we ate we never took because we needed a change  
I needed a break  
For a sec I even gave up believing and praying  
I even done the legal stuff and was leaded astray  
Now money is the root to the evilist ways  
But have you ever been so hungry that it keeps you awake  
Mate, now my hunger would leave them amazed  
Great, it feels like a long time coming, fam

Since the day I thought of that cunning plan  
One day I had a dream I tried to chase it  
But I wasn't going nowhere, running man! I knew that maybe someday I would understand  
Trying to turn a tenner to a hundred grand  
Everyones a kid that no-one cares about  
You just have to keep screaming until they hear you out  
Oh written in the stars  
A million miles away  
A message To The Main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way  
Ishi, Eric Tuner, let's go  
Oh written in the stars  
A million miles away  
A message To The Main  
Ooooh  
Seasons come and go  
But I will never change  
And I'm on my way
