

Puttin In Work

Slim Thug

[Chorus]

Ass so fat, pussy so wet
It's a work out baby let me see you sweat
Got her bustin' back to back like a new tec
Puttin' in work like I'm tryna get a check
Ass so fat, pussy so wet
It's a work out baby let me see you sweat
Got her bustin' back to back like a new tec
Puttin' in work like I'm tryna get a check

[Verse 1: Slim Thug]

First off, the boss
Freaks all the honeys
Stunning, playboy bunnies, those want money
Them's the ones I like cuz thats who I get paid with
She got a million dollar pussy, keep a player rich
Break a trick then make the trick make me rich
Them other niggas counterfeit, Thugga real as it get
I keep mines in line, all equal to a dime
Once I hit it from behind like I'm tryna crack her spine, I ain't lyin'
We-we-we gon' bump and grind till I see her crying
I wanna see ya shine so I wanna see ya mine
Rhyme part time but this pimpin' shits my passion
She shakin' it, baby get ya cash then
Thugga!

[Chorus]

Ass so fat, pussy so wet
It's a work out baby let me see you sweat
Got her bustin' back to back like a new tec
Puttin' in work like I'm tryna get a check
Ass so fat, pussy so wet
It's a work out baby let me see you sweat
Got her bustin' back to back like a new tec
Puttin' in work like I'm tryna get a check
