

Do You Feel Me

Anthony Hamilton

Wish I could see through
See deep into you
And know what you're thinking now
And if I were to need it
I need some kind of sign
Let me know cuz I can't read your mind

Are you in?
Or am I in this on my own?
I need some clue from you
Let me know babe

[CHORUS]

Do you feel you?
Do you read me?
Tell me am I gettin through to you
I wanna know,
are you with me?
Are you listenin?
Baby, is my message gettin through?

Do it me baby, oh babe, cuz I can feel you

You play it so cool

Won't let nothin' show through

Won't show what you're feelin now, no

And you like to keep keepin' me

Keeping me here in the dark

And I can't see through into your heart

Let me in, in on this mystery

Cuz I just can't stay in this guessing game

[CHORUS]

And don't keep me hangin on the line, baby

Tell me if you want me

And if you don't just let me know

Just answer one question

Don't keep me here guessing

Tell me now

[CHORUS]
