

# Finally

## Fergie

Ever since I was a baby girl I had a dream  
Cinderella theme, crazy as it seems  
Always knew that deep inside that there would come a day  
When I would have to way, make so many mistakes I couldn't comprehend as I watched it  
unfold  
This classic story told I left it in the cold  
Walking through an open door that led me back to you  
Each one unlocking more of the truth I finally stopped tripping on my youth  
I finally got lost inside of you  
I finally know that I needed to grow  
And finally my maze has been solved Finally, Now my destiny can begin  
Though it will have a different set  
Something strange and new is happening  
Finally, Now my life doesn't seem so bad  
It's the best that I've ever had  
Give my love to him finally I remember the beginning you already knew  
I acted like a fool, just trying to be cool  
Fronting like it didn't matter, I just ran away  
On another face, was lost in my own space Found what it's like to hurt selfishly  
Scared to give of me, afraid to just believe  
I was in a jealous, insecure, pathetic place  
Stumbled through the nets that I had made Finally got out of my own way  
I've finally started living for today  
I finally know, I needed to grow  
And finally know that it must be so Finally, Now my destiny can begin  
Though we will have a different set  
Something strange and new is happening  
Finally, Now my life doesn't seem so bad  
It's the best that I've ever had  
Gave my love to him finally  
Finally, finally  
Finally, Now my destiny can begin  
Though it will have a different set  
Something beautiful is happening, is happening  
Finally, Now my life doesn't seem so bad  
It's the best that I've ever had  
Give my love to him finally  
Oh, finally, finally, finally
