

Blood (Hidden Track)

My Chemical Romance

[Verse 1]

Well, they encourage your complete cooperation
Send you roses when they think you need to smile
I can't control myself, because I don't know how
And they love me for it, honestly, I'll be here for a while

[Chorus]

So give them blood, blood, gallons of the stuff
Give them all that they can drink, and it will never be enough
So give them blood, blood, blood
Grab a glass, because there's going to be a flood

[Verse 2]

A celebrated man amongst the gurneys
They can fix me proper with a bit of luck
The doctors and the nurses, they adore me so
But it's really quite alarming, 'cause I'm such an awful fuck

[Chorus]

(Oh, thank you!) I gave you blood, blood, gallons of the stuff
I gave you all that you can drink, and it has never been enough
I gave you blood, blood, blood
I'm the kind of human wreckage that you love!
