

# Monsters (feat. Katie Sky)

## Timeflies

I see your monsters  
I see your pain  
Tell me your problems  
I'll chase them away  
I'll be your lighthouse  
I'll make it okay  
When I see your monsters  
I'll stand there so brave  
And chase them all away  
A cup of coffee still steaming  
Staring back at me, it's blacker than the night  
I'm awake but still sleeping  
I keep telling myself I'll be alright (I won't)  
And I know it can't get worse than today  
Sitting here and she's trying to rehearse what to say  
See, she's in the bathroom hoping I'm not in earshot  
While she's getting used to the sound of a teardrop (Splash)  
It hits the tile  
And I know it's been a while since you seen me  
Smile and laugh like I used to  
I've been in denial since it happened  
Just take me to the past  
'Cause I just can't imagine losing you (too)  
I can't explain this so I'll keep it all inside  
Wear my pain, but it's masked by my pride  
She came to hold me and she cried  
Told me this as she stared into my eyes, said  
I see your monsters  
I see your pain  
Tell me your problems  
I'll chase them away  
I'll be your lighthouse  
I'll make it okay  
When I see your monsters  
I'll stand there so brave  
And chase them all away  
I can't  
You won't like what you see  
If you were in my head and had to hear my pleas  
It's like  
I can't believe this is happening to me  
And could someone please shut this fking answering machine  
So I can start leaving these messages  
That you will never get  
And all these cries for help  
You'll never see and never check  
But I guess it's easy for you to leave me  
But believe me  
See this isn't something that Imma just forget

I would trade it all for one more minute  
Don't you see I really need you to talk to  
I'm still sitting here wondering who did it  
While I'm staring out our front door  
Knowing you'll never walk through  
Said you'd come right back  
And now you're gone like that  
A blank stare as I stand so alone  
And know you're never coming home (damn) I see your monsters  
I see your pain  
Tell me your problems  
I'll chase them away  
I'll be your lighthouse  
I'll make it okay  
When I see your monsters  
I'll stand there so brave  
And chase them all away I got a heart made of fool's gold  
Got me feeling so cold  
But you chipping away  
All the promises that I told  
Felt like I was on those  
But keep slipping away  
I want nobody else  
But it's hard to get to know me  
When I don't know myself  
And it helps 'cause I felt  
I was down, I was out  
Then you looked at me now  
And said I see your monsters  
I see your pain  
Tell me your problems  
I'll chase them away  
I'll be your lighthouse  
I'll make it okay  
When I see your monsters  
I'll stand there so brave  
I see your monsters  
I see your pain  
Tell me your problems  
I'll chase them away  
I'll be your lighthouse  
I'll make it okay  
When I see your monsters  
I'll stand there so brave  
And chase them all away
