

# Intro / Time for Some Action

## N.E.R.D

[Intro: Pharrell Williams]

"Y'know, when I was a kid growing up  
We used to love playing outside, riding bikes  
And that was the 80's, record heatwaves  
I mean people were like  
Dying on the side of the road, getting heatstrokes  
So the only thing you could do was go in the house and, y'know  
Take a shower a couple of times a day  
So, I'll never forget I was like seven years old  
I closed my eyes, and that's when it started  
I started seeing sounds, whoa..!"

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action

[Bridge: Williams]

Eh...  
Yes, yes, right there  
I like it, 'scuse me!  
Hey...

[Verse 1: Williams]

Yeah, you know the scenario  
Images circle your mind like a merry-go  
If you just tunin into your stereo  
Turn this bitch up, here we go

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action

[Verse 2: Shay Haley]

I'm more like a vulture, far from a dove  
Don't you mistake this, ma, this is not love  
It's lust; no cuddles and hugs  
This is for floor and rugs

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action

[Verse 3: Williams]

Yo, the sweat on your body, it creates a scent  
No liquor, no pills, only that gets me bent

I'm loving your clothes, especially the prints  
Get it, the prints?

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action

[Verse 4: Haley]

Hey, you ain't know I was a nasty guy?  
You say you wanna flash me, right?  
You know only I could smash you, right?  
Well alright

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action

[Bridge: Williams]

It's time for some action  
What can you imagine?  
It's time for some action  
What can you imagine?  
Whoa, whoa, whoa (Action!)  
Whoa, whoa, whoa (Action!)  
Whoa, whoa, whoa (Action!)  
Whoa, whoa, whoa (Action!)

[Interlude: Howlin' Pelle Almqvist]

I see what's going on, I've been sitting there all along  
Just waiting and waiting 'cause I'm tired  
(Time for some action, time for some action)  
I ain't got nothing to say, nothing to do  
But I've been waiting for so long  
And I think, I think, I think I'm through

[Refrain]

Time for some action, time for some action  
Time for some action, time for some action
