[Moneybagg Yo:]

X.O. think he all that

It's 2020

And I ain't got time for no fake-ass shit, nigga

I'm straight thuggin', pussy

I'm back to the basics, nigga

Zoom, zoom, you don't want no X.O, want no X.O

Don't come to me with no brudda brudda shit, nigga

I ain't your brother, your mama ain't had me, pussy-ass nigga

I don't know your pack

One, two, three, let's go

Rolls Royce truck but my windows ain't tinted (Gang)

Traphouse jumpin' like a Wendy's or a Denny's (Woo)

He ain't stoppin' shit, I decide when I finish (Nope)

Racist-ass judge, he decide who get sentenced (Hope)

She a bad bitch, eat the pussy like a spinach

She'll suck dick on the way to the dentist

I ain't never leavin' my bitch, she a dime (Nope)

Why would I switch out for a dime for a penny? (Go)

[Blac Youngsta:]

Trap brother drip, this a Dior hoodie (Sauce)

Dash on four, need somewhere to put it (Where?)

FN ammo with the blue tip bullet (Clip)

Thinkin' it's a prop 'til I up it (Then), pull it (Bow)

Paparazzi on me and the fans keep askin' (What?)

"Why you swap the bougie bitch out for a ratchet?" (Why?)

Championship ring like a small face Patek (Win it)

Lambo' truck and car parked at the mansion (Skrrt)

I met her in June, she let me hit soon

She ate the dick like a prune (Uh-uh)

I hop in the vroom, the bass go boom

Call me Lil Boosie, I zoom (Scratch off)

I'm still on that hood shit, ridin' with a full clip (Hunnid)

Tank top Fruity Loom (Right now)

I'm with some buffoons that walk up and face shit

Now you a hot air balloon (Go)
