

# Chances

## Athlete

Take all your chances while you can  
Never know when they'll pass you by  
Like a sum the mathematician cannot solve  
Like me trying my hardest to explain It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over  
Take me over If I had the chance to start again  
Then you would be the one I'd come and find  
Like the poster of Berlin on my wall  
Maybe there's a chance our walls might fall  
It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over It's all about your cries and kisses  
Those first steps that I can't calculate  
I need some more of you to take me over  
I've no idea 'cause  
I can't calculate  
How to start again  
How to start again  
How to start again  
How to start again  
It's all about you
