

You and I

Ingrid Michaelson

Don't you worry there my honey

We might not have any money

But we've got our love to pay the bills

Maybe I think you're cute and funny

Maybe I wanna do what bunnies do with you

If you know what I mean

Oh let's get rich and buy our parents homes

In the South of France

Let's get rich and give everybody nice sweaters

And teach them how to dance

Let's get rich and build our house on a mountain

Making everybody look like ants

From way up there you and I, you and I

Well you might be a bit confused

And you might be a little bit bruised

But baby how we spoon like no one else

So I will help you read those books
If you will soothe my worried looks
And we will put the lonesome on the shelf

Ooh, let's get rich and buy our parents homes
In the South of France
Let's get rich and give everybody nice sweaters
And teach them how to dance

Let's get rich and build our house on a mountain
Making everybody look like ants
From way up there you and I, you and I

Ooh, let's get rich and buy our parents homes
In the South of France
Let's get rich and give everybody nice sweaters
And teach them how to dance

Let's get rich and build our house on a mountain
Making everybody look like ants
From way up there you and I, you and I...
