

Get Low Wit It (Remix) [feat. Akon]

Romeo

Who that girl, who that girl (we got em with this one Akon)
ask my boy like who that girl, who that girl (I mean city to city... country to country)
(I been lookin for that Cinderella)Eh, CONVICT MUSIC! (think I might have found her)
THE NEW NO LIMIT (take a stand)
(its a New Orleans thing baby im a ball all day and im killin em)We been all around the world
and haven't found a girl that compares to the ghetto
We been all around the world and haven't found a girl that compares to the ghetto
the kind that gets low and takes it to the flow
the type to let it show,
that's what im lookin for and I see it girl
that's how the ghetto is
that's how the ghetto is
that's how the ghetto is
she know what time it is
Where's my Cinderella ella ella
she don't need no umbrella (yeeaaaah)
she make me better (yeeaaaah)
she change my weather (HELLO!)
she got to be exotic
drop it low and bout it bout it (HELLO)
what you expect im strait new Orleans baby THEY KNOW!
I need a Adriana leave em wit a little eve
touch my bod touch touch my body
make it so I cant breath
your all beautiful don't let nobody tell you nothing
im on a island where the girls body be shakin
and girl you smell good, stuntin in em miller peaches
like Victoria I hope that you can keep a secret
We been all around the world and haven't found a girl that compares to the ghetto
We been all around the world and haven't found a girl that compares to the ghetto
the kind that gets low and takes it to the flow
the type to let it show,
that's what im lookin for and I see it girl
that's how the ghetto is
that's how the ghetto is
that's how the ghetto is
she know what time it isSHAAAWWTY! WHAT YO NAME IS
WHAT YO NAME IS, WHAT YO NAME IS (OH!)
she got them high heels Gucci
nails done like a flirt
an educated girl who needs a baller in her world
supermodel she's my genius in a bottle

paparazzi taken pictures of my favorite top models
she so hood
she love to play but she bout bills
she independent she gone go get it
my pops told me its no limit
We been all around the world and haven't found a girl that
compares to the ghetto
We been all around the world and haven't found a girl that compares to the ghetto
the kind that gets low and takes it to the flow
the type to let it show,
that's what im lookin for and I see it girl
that's how the ghetto is
that's how the ghetto is
that's how the ghetto is
she know what time it is
