## Lovebug

## **Jonas Brothers**

Called you for the first time yesterday Finally found the missing part of me Felt so close but you were far away Left me without anything to sayNow I'm speechless Over the edge, I'm just breathless I never thought that I'd catch this love bug again Hopeless, head over heels in the moment I never thought that I'd get hit by this love bug again I can't get your smile out of my mind (I can't get you out of my mind) I think about your eyes all the time You're beautiful but you don't even try (You don't even, don't even try) Modesty is just so hard to findNow I'm speechless Over the edge, I'm just breathless I never thought that I'd catch this love bug again Hopeless, head over heels in the moment I never thought that I'd get hit by this love bugagain I kissed her for the first time yesterday Everything I wished that it would be Suddenly I forgot how to speak Hopeless, breathless Baby can't you see? Now I'm... Yeah oh Now I'm speechless Over the edge, I'm just breathless I never thought that I'd catch this love bug again Now I'm hopeless, head over heels in the moment I never thought that I'd get hit by this love bug again Ohhh Love Bug again
