

Friend of Mine

Lily Allen

I don't want us to have a fight
But in the background I can hear you chatting shite
I hear it every night And you think you're being really cool
And you've been doing it since we were both at school
Now who looks like a fool? You're no friend of mine girl
And I've known it for a while girl
You're just a waste of time girl
Why don't you have another line girl? Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck
Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck What happened to the good old days?
I was kind of hoping this was all a stupid phase
Who are you anyway? I know you've heard this all before
I know some people who are calling you a whore
Don't know you anymore You're no friend of mine girl
And I've known it for a while girl
You're just a waste of time girl
Why don't you have another line girl? Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck
Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck Tell me what did you expect?
Have you got no self-respect?
Reputation to protect?
Soon you'll be a nervous wreck
