

Beautiful

Creed

[Verse 1]

She wears a coat of color
Loved by some, feared by others
She's immortalized in young men's eyes
Lust she breeds in the eyes of brothers
Violent sons make bitter mothers
So close your eyes, here's your surprise

[Chorus 1]

Beautiful is empty
Beautiful is free
Beautiful loves no one
Beautiful stripped me

[Chorus 2]

Stripped me, stripped me
She stripped me

[Verse 2]

In your mind she's your companion
Vile instincts often candid
Your regret, is all that's left

[Chorus 1]

Beautiful is empty
Beautiful is free
Beautiful loves no one
Beautiful stripped me

[Chorus 2]

Stripped me, stripped me
She stripped me

[Chorus 3]

She told me where I'm going
And it's far away from home
I think I'll go there on my own

She told me where I'm going
And it's far away from home

I think I'll go there on my own

[Chorus 1]

Beautiful is empty

Beautiful is free

Beautiful loves no one

Beautiful stripped me

[Chorus 2]

Stripped me, stripped me

She stripped me

She stripped me
