

Intermission

Jerrod Niemann

Hi.
Thought I left, didn't you?
I'm a highly paid voice talent.
You can't get rid of me that easily.
Is it odd to be 4 years old with a voice like this? (*
Groan*) I think I just made boom-boom in my pants.
Hey, you!
Is your volume knob broken?
Don't just sit there.
What you need to do is turn...
it...
up!
