

# Crush

Tessa Violet

I can't focus on what needs to get done  
I'm on notice hoping that you don't run  
You think I'm tepid but I'm misdiagnosed  
'Cause I'm a stalker I seen all of your posts  
AhAnd I'm just tryna play it cool now  
But that's not what I wanna do now  
And I'm not tryna be with you now, you nowYou make it difficult to not overthink  
And when I'm with you I turn all shades of pink  
I wanna touch you but don't wanna be weird  
It's such a rush, I'm thinking wish you were here  
AhAnd I'm just tryna play it cool now  
But that's not what I wanna do now  
And I'm not tryna be with you now, you now  
But I could be your crush, like  
Throw you for a rush, like  
Hoping you'd text me so I could tell  
you I been thinking 'bout your touch like  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crush  
I got a fascination with your presentation  
Making me feel like you're on my island, you're my permanent vacation  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crush  
SorryI fill my calendar with stuff I can do  
Maybe if I'm busy it could keep me from you  
And I'm pretending you ain't been on my mind  
But I took an interest in the things that you like  
Ah  
And I'm just tryna play it cool now  
But that's not what I wanna do now  
And I'm not tryna be with you now, you nowBut I could be your crush, like  
Throw you for a rush, like  
Hoping you'd text me so I could tell  
you I been thinking 'bout your touch like  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crush  
I got a fascination with your presentation  
Making me feel like you're on my island, you're my permanent vacation  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crushAnd yeah it's true that I'm a little bit intense,  
right  
But can you blame me when you keep me on the fence, like

And I've been waiting, hoping that you'd wanna text, like  
Text like  
("It's what I was born to do")  
And yeah it's true that I'm a little bit intense, right  
But can you blame me when you keep me on the fence, like  
And I've been waiting, hoping that you'd wanna text, like  
Text like And I'm just tryna play it cool now  
But that's not what I wanna do now  
And I'm not tryna be with you now, you now But I could be your crush, like  
Throw you for a rush, like  
Hoping you'd text me so I could tell  
you I been thinking 'bout your touch like  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crush  
I got a fascination with your presentation  
Making me feel like you're on my island, you're my permanent vacation  
Touch, touch, touch, touch, touch  
I could be your crush, crush, crush, crush, crush sorry...
