

# Closer

## Goapele

Closer to my dreams  
It's coming over me I'm gettin' higher  
Closer to my dreams  
I'm getting higher and higher  
Feel it in my sleep Some times it feels like I'll never go pass here  
Some times it feels like I'm stuck forever and ever But, I'm going higher  
Closer to my dreams  
I'm goin' higher and higher  
I can almost reach  
Some times you just have to let it go (Let it go, let it go)  
Leaving all my fears to burn down  
Push them all away so I can move on  
Closer to my dreams  
Feel it all over my being  
Close your eyes and see what you believe I'm happy as long as we're apart  
Then I'm moving on to my dreams I'll be moving higher (Moving higher)  
Closer to my dreams  
And higher and higher, higher  
Feel it in my being (I can feel it flow around me)  
I know that I could not go alone (No, no) I'm moving higher (Higher), oh...  
I'm going higher and higher and higher (Higher and  
Higher)  
Closer to my dreams (Higher and higher, oh... oh...)  
I'm moving upward and onward and beyond all I can see  
(Stretching out my arms so I can reach)  
Feels so close it's like i can just reach  
I can feel my dreams (Closer to my dreams)  
I'm moving closer to my dreams  
I'm moving (Higher and higher) higher and higher  
(Higher and higher)  
Moving higher, oh... Some times it feels like you never gon' change (Never gon' change)  
But you never choose to walk away
