

Give Me A Chance

LAY

Yeah yeah
Girl I can't get away from you
But just tell me what you want
it's true
Yeah yeah
I'm searching for your love
like everywhere
Yeah but
Baby tell me
that there something is there
'Cause I be 'round like
lookin' like
One or two three
Where you at can you
come and take me
To a place where
it's just you and me
And it goes like fine
I know what you lookin' for
And I can be this love and more
We just gotta know that
we just gotta go
'Cause
I I've been on you
Let you know how I feelin
I I'm over and through for you
I'm runnin' runnin'
runnin' runnin' out
Runnin' runnin' runnin'
runnin' down
I I'm over and through
for you yeah
Uh it's like I found my angel
Uh perfect at every angle
Yeah and she's straight up
out a dream
Turns out my baby
was everything I need
Do you know do you know
that I love that
When you here when you here
on the runway

If I go if I go then you know that
I'm on my way
'Cause
I I've been on you
Let you know how I feelin
I I'm over and through for you
I'm runnin' runnin'
runnin' runnin' out
Runnin' runnin' runnin'
runnin' down
I I'm over and through
for you yeah
I can try to wait for it
Uh but I can't turn away from it
Yeah I can't run away from it
I been on it yeah
I can't turn away from my sin
All I ever wanted was a win
I can't give you love unless
I'm focused on my ha
I just gotta say that
I've been focused on my love yeah
'Cause
I I've been on you
Let you know how I feelin
I I'm over and through for you
I'm runnin' runnin' runnin'
runnin' out
Runnin' runnin' runnin'
runnin' down
I I'm over and through
for you yeah
'Cause
I I've been on you
Let you know how I feelin
I I'm over and through for you
I'm runnin' runnin' runnin'
runnin' out
Runnin' runnin' runnin'
runnin' down
I I'm over and through
for you yeah
