

FREEDOM

Jon Batiste

She wanna, she wanna
She 'bouta
Come on!
Big Freedia, uh-huh
Let's go, let's go, let's go
When I move my body just like this
And I don't know why
But I feel like freedom (Do it to it, do it to it)
I hear a song that takes me back
And I let go with so much freedom (Freedom)
Free to live (how I wanna live)
I'm gon get (what i'm gonna get)
'Cause it's my freedom (Freedom)
I love how you talk
You speaking my language
The way that you walk
You can't contain i
Is it the shoes
Jumped up, kangaroo
We're overdue for a little more prancing
Now it's your time
(It's your right)
You can shine
(It's alright)
If you do
I'ma do too
When I move my body just like this
I don't know why
But I feel like freedom (Freedom)
I hear a song that takes me back
And I l?t go
With so much freedom (Freedom)
Free to live (How I wanna live)
I'm gon get (What I'm gonna g?t)
'Cause it's my freedom (Freedom)
When I move my body just like this
I don't know why
But I feel like freedom (Freedom)
I hear a song that takes me back
And I let go
With so much freedom (Freedom)
Free to live (How I wanna live)
I'm gon get (What I'm gonna get)

'Cause it's my freedom (Freedom)
