

WAY DOWN LOW

Elley Duhé

[Verse 1] One two, one two Hang on, yeah I got you We gonna make it through One life to live Please don't give up yet 'cause We got so much to do [Pre-Chorus] And when you're half alive, half alive I'll go to war, baby I'll go to war for you Just come back to life, back to life We will survive We gonna see this through [Chorus] Even when we're way down, way down low We dream, yeah We dream on up When we're way down, way down low The stars light a new hope in us Ay ah, ay ah, ay, ay ah Ay ah, oh, oh, oh Ay ah, ay ah, ay, ay ah Ay, ay ah [Verse 2] When you're blue, hang on Hang on, I got you Imma take care of you Don't let the fears put fear inside 'Cause I'm watching over you [Pre-Chorus] And when you're half alive, half alive I'll go to war, baby I'll go to war for you Just come back to life, back to life We will survive We gonna see this through [Chorus] Even when we're way down, way down low We dream, yeah We dream on up When we're way down, way down low The stars light a new hope in us Ay ah, ay ah, ay, ay ah Ay ah, oh, oh, oh Ay ah, ay ah, ay, ay ah Ay, ay ah [Bridge] Night and day, I'll fight Fight for your love What's inside my heart I'll give you all I own [Chorus] Even when we're way down, way down low We dream, yeah We dream on up When we're way down, way down low The stars light a new hope in us Ay ah, ay ah, ay, ay ah Ay ah, oh, oh, oh Ay ah, ay ah, ay, ay ah Ay, ay ah
