

Bust Down Cartier

Lil Mosey

Ooh, oooh
Yeah
Mosey-Mosey you made this? She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek
(Bust down)
Bust down Cartier, yeah (Ooh)
Getting bands today (Bands)
Fly out on a jet, just for me to get away
She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek (Bust down)
Bust down Cartier, yeah (Bust)
Getting bands today (Bands)
Fly out on a jet, just for me to get away
I can't stop fuckin'
It's a habit yeah
Me and my niggas do it
It's a habit yeah
When I tuned out
I done gained a habit yeah
Got some stars on a rope
Because I never had a girlfriend
Gucci round my waist
Wearing headbands
Press some in her face
Yeah we on this headband
Two-tone spice and artists
As I flesh tone then
Got home broke from work
'Cause we sent her propain
You beast
She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek
(Bust down)
Bust down Cartier, yeah (Ooh)
Getting bands today (Bands)
Fly out on a jet, just for me to get away

She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek (Bust down)
Bust down Cartier, yeah (Bust)
Getting bands today (Bands)
Fly out on a jet, just for me to get away Veto'd, better since she ride
With no seatbelt
That bitch, yeah, she ridin'
With no seat belt (Lil bitch)
Need help, popping tags with no detail
Molly, still didn't change, I still pop xans
But I said I don't need them, uh-uh Pop a bean, have her over
Here in the outer space
Ridin' with my niggas,
While we shootin' on your lane
Love my whole city,
I be winning to get a K
Youngest nigga they
Ever see to fly away (Fly away) She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek (Bust down)
Bust down cartier, yeah (Ooh)
Getting bands today (Bands)
Fly out on a jet, just for me to get away
She a bad bitch, I gotta have it
(Gotta have it)
She's just a date, got a brand
New bust down Patek (Bust down)
Bust down cartier, yeah (Bust)
Getting bands today (Bands)
Fly out on a jet, just for me to get away Now I'm heavy
