

Never Enough (feat. Loren Allred)

David Foster

I'm trying to hold my breath

Let it stay this way

Can't let this moment end

You set off a dream in me

Getting louder now

Can you hear it echoing?

Take my hand

Will you share this with me?

'Cause darling without you

All the shine of a thousand spotlights

All the stars we steal from the night sky

Will never be enough

Never be enough

Towers of gold are still too little

These hands could hold the world but it'll

Never be enough

Never be enough

For me

Never, never

Never, never

Never, for me

For me

Never enough

Never enough

Never enough

For me

For me

For me

All the shine of a thousand spotlights

All the stars we steal from the night sky

Will never . .
