

Little Romance

Ingrid Michaelson

You're in the mood for love?

You're in the mood to dance?

You're in the mood for a little romance

?You're in the mood for love??

I see you pressed those pants

?I see you styled that hair?

There doesn't seem to be much of it there?

You're in the mood to dance

??Can I have the last chance?

To be your little romance?

Can I have the last dance

?I'm in the mood for love??

I'm all dressed up tonight

?I've waited all night long?

When will they finally play your song?

I'm in the mood to dance??

Can I have the last chance

?To be your little romance

?Can I have the last dance?

I'm in the mood for love?

I'm in the mood for love

If it's the only chance i get

If it's the only chance then get

?Ready to throw your shoes away

?For I will sweep sweep sweep?

You off your feet ?For I will sweep sweep sweep?

To be your little romance

??Can I have the last chance?

To be your little romance?

Can I have the last dance?

I'm in the mood for you?

You're in the mood for me

?We're in the mood for love
