

# Gimme Five

## Jovanotti

Yeah by get down well you rock and roll  
Then you roll and rock  
Then you got to do it  
Because i don't wanna stop  
Yes i'm the db breaker,  
The heart-taker  
Com'n fly guy  
Let's turn it up home boys,  
Pretty girls you don't stop  
Cause i'm jovanotti  
Gonna make you rock  
Baby baby gonna show you my stuff  
I'm gonna tell you the way  
To hit the top  
Hae-you can do it  
Hou-will you do it  
Hae-you can do it  
Let me know wot do ya want  
Up up up now now now  
Com'n you can get it gimme five  
(clap clap clap)  
Al right  
It's a new sensation  
Really good vibration  
Com'n gimme five  
Body stimulation  
Tell it to everybody  
Wanna be allright  
Dig it as a game,  
Give it like i like  
When you party to the left  
When you're rockin' to the right  
When you roll up,  
When you hold up  
When you fell dynamite  
Jovanotti's on the mike  
Gonna do it  
Live fly girls home boys  
Com'n gonna live 1 - 2 gimme five  
Com'n everybody gonna wear the crown  
Gimme five  
Are you ready for a new vibration

Gimme five  
Gimme five  
Party people rock the nation
