

# Rush

## Syn Cole

We're gonna drive all night

We gonna run all the red lights

So baby turn it up

Wanna?feel?that rush, yeah

We're?gonna drive all night

We gonna run?all the red lights

So baby turn it up

Wanna feel that rush, yeah

We're gonna drive all night

We gonna run all the red lights

So baby turn it up

Wanna feel that rush, yeah

We're gonna drive all night

We gonna run all the red lights

So baby turn it up

Wanna feel that rush, yeah

We're gonna drive all night

We gonna run all the red lights

So baby turn it up

Wanna feel that rush, yeah

We're gonna drive all night

We gonna run all the red lights

So baby turn it up

Wanna feel that rush, yeah
