

# Crashing (feat. Bahari)

## Illenium

[Verse 1]

Intoxicating, your kiss  
Intoxicating, your lips  
Nobody does it like this  
I find it hard to resist, oh-oo  
Feeling out of control, beautifully so  
What's coming over me?  
It's a total eclipse of rationality[Pre-Chorus]  
I don't usually say this  
I don't usually play this game  
Yeah, I know I'm not faded  
But it kinda feels that way  
I don't usually say this  
But I think I should let you know  
That baby, baby I don't, I don't wanna go

[Chorus]

How could I go home when I feel like I belong?  
In your arms, it's like Champagne  
Feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-oo)  
Tonight  
(Ooh-oo)  
Tonight (Ooh-oo)

Oh-oh, so I'm crashing here tonight[Verse 2]

Hey, are you really this good?  
Damn, are you really this good?  
Baby, you're just like a drug  
I'd bottle you up if I could, oh-oo  
Feeling out of control with your chemicals  
What's coming over me?  
It's a total eclipse of rationality  
[Pre-Chorus]  
I don't usually say this  
I don't usually play this game  
Yeah, I know I'm not faded  
But it kinda feels that way  
I don't usually say this  
But I think I should let you know  
That baby, baby I don't, I don't wanna go[Chorus]  
How could I go home when I feel like I belong?

In your arms, it's like Champagne  
Feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-ooh)  
Tonight  
(Ooh-ooh)  
Tonight (Ooh-ooh)  
Oh-oh, so I'm crashing here tonight[Bridge]  
How could I go home  
When you're all I wanna know?  
Come on, let me see your bed  
It's too late for this to end  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight[Chorus]  
How could I go home when I feel like I belong?  
In your arms, it's like Champagne  
Feel it pouring in my veins  
Yeah, I got myself too drunk on you to drive  
So I'm crashing here tonight  
(Ooh-ooh)  
Tonight  
(Ooh-ooh)  
Yeah I'm crashing here tonight  
(Ooh-ooh)  
Oh-oh, so I'm crashing here tonight
