

Sensitive Kind

John Mayall & The Bluesbreakers

Don't take her for granted
She had a hard time
Don't misunderstand her
Or play with her mind

Treat her so gently
It will pay you in time
You gotta know
She's a sensitive kind

Tell her you love her
Each and every night
You will discover
She will treat you right
If you believe
I know you will find
There ain't nothing like
A sensitive kind

She gets so lonely
Waiting for you
You are the only
Thing to help her through

Don't take her for granted
She had a hard time
You gotta know
She's a sensitive kind
