

# A Year Without Rain

## Selena Gomez & The Scene

[Verse 1]

Can you feel me when I think about you?  
With every breath I take  
Every minute, no matter what I do  
My world is an empty place  
Like I've been wandering the desert for a thousand days (Oh)  
Don't know if it's a mirage, but I always see your face, baby

[Chorus]

I'm missing you so much  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side  
Don't know how I'll survive  
A day without you is like a year without rain, oh, oh-oh  
Whoa, whoa

[Verse 2]

The stars are burning, I hear your voice in my mind  
(Voice in my mind)  
Can't you hear me calling?  
My heart is yearning, like the ocean that's running dry  
Catch me, I'm falling  
It's like the ground is crumbling underneath my feet  
Won't you save me?  
There's gonna be a monsoon when you get back to me  
Oh, baby

[Chorus]

I'm missing you so much  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side (By my side)  
Don't know how I'll survive (How I'll survive)  
A day without you is like a year without rain, oh, oh-oh  
Whoa, whoa

[Bridge]

So let this drought come to an end  
And make this desert flower again

I'm so glad you found me  
Stick around me baby, baby, baby, ooh  
It's a world of wonder with you in my life  
So hurry, baby, don't waste no more time  
And I need you here, I can't explain  
A day without you is like a year without rain, oh, oh-oh

[Chorus]

I'm missing you so much (So much)  
Can't help it, I'm in love  
A day without you is like a year without rain  
I need you by my side (By my side)  
Don't know how I'll survive  
A day without you is like a year without rain, oh, oh-oh  
Whoa, whoa, ooh
