[Verse1]

It's getting late lil mama (stay late)

We been in the club too long

Let me take you out to my home

Tell me what a nigga gotta do

To get you out that thong

When are you gonna really make up ya mind shorty

See Twista work that skill

Now can I get up in it from behind shorty

Show you what I'm working with (ooh)

Come on let me take you to the penthouse suite

Pull out some old school Marvin Gaye and put it on repeat (ohh)

Now shorty come in

Show me you can take it boo

Let me fuck you first now girl

Show me what you can do

Come an fuck me reverse now girl

Doing things that'll get you gone

When we on the couch I can make you moan

Eat you up when we in the kitchen

Let you get on top when we by the stove

When she told me to do it faster

That's when I dug deeper

Now every time I see her (mmm)

I gots to freak her cause

[Hook][Verse2]

Make her feel like she popped the pill
 Got her feeling ecstasy
 Took her to the bedroom
 About to make her an overnight celebrity
 I finna get up in the sack
 And I hope you ready for me girl
 Finna hit it from the back
 While I'm bumpin' Ready for the World
 I want you to hold me
 While I'm kissin ova ya body slowly
 Give it to you like a O.G.
 Show me how you work them walls... Down
 Show me how you work them jaws
 And in the bed when the faucet run
 You will catch that drain
 That's why I love gettin' freaky wit you
 Cause you's a nasty thang
 Shorty please... That's right (Show me how you work them walls... Down)[Hook][Verse3]
 Hit it to that Jodeci (Yeaaa)
 Hit it to that Jagged Edge (Yeaa)
 Hit it to that New Edition
 Get you get that cool it boo
 (Don't you worry about a damn thang... No)
 See how I do it to it
 When I sip some do it to it fluid
 Hit it to some Isley Brothers
 Hit it to some Shai yes
 Hit it to some R. Kelly
 And hit it to some Marvin Gaye
 (Don't you worry about a damn thang... No)
 See how I do it to it
 Gotta sip that fluid
 When I touch her she like Ohhh
 Say don't ya worry about a damn thang
 No, no, no, no, no, no girl
 Cuz when I touch her she like
 When I rub her
 When I hug her
 When I love her
 When I touch her she like oooh oooh
