

What's Love Got to Do With It

Tina Turner

You must understand
Though the touch of your hand
Makes my pulse react
That it's only the thrill
Of boy meeting girl
Opposites attract
It's physical
Only logical
You must try to ignore
That it means more than that What's love got to do, got to do with it
What's love, but a second-hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken
It may seem to you
That I'm acting confused
When you're close to me
If I tend to look dazed
I read it some place
I've got cause to be
There's a name for it
There's a phrase fits
But whatever the reason
You do it for me What's love got to do, got to do with it
What's love, but a second-hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken I've been taking on a new direction
And I have to say
I've been thinking 'bout my own protection
It scares me to feel this way
What's love got to do, got to do with it
What's love, but a second-hand emotion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken What's love got to do, got to do with it
What's love, but a sweet old fashioned notion
What's love got to do, got to do with it
Who needs a heart when a heart can be broken
