

# On the Brightside

## Never Shout Never

I met a man of two feet tall  
This man was quite ambitious  
In a world that is so vicious to us all  
I said, "Hi," as he replied  
He said, "Listen to these words  
That I have lived by my whole life" You're only as tall as your heart will let you be  
And you're only as small as the world will make you seem  
When the going gets rough and you feel like you may fall  
Just look on the brightside - you're roughly six feet tall"

I met a man of 12 feet tall  
He towered like a giant  
In a world that was defiant of his height  
I said, "Hi," as he replied  
He said, "Listen to these words  
That I have dreaded my whole life" You're only as tall as your heart will let you be  
And you're only as small as the world will make you seem  
When the going gets rough and you feel like you may fall  
Just look on the brightside - you're roughly six feet tall."

I am a man of six feet tall  
Just looking for some answers  
In a world that answers none of them at all  
I'll say, "Hi," but not reply  
To the letters that you write  
Because I found some peace of mind  
Cause I'm only as tall as my heart will let me be  
And I'm only as small as the world will make me seem  
When the going gets rough and I feel like I may fall  
I'll look on the brightside - I'm roughly six feet tall.
