Stop the cappin', I'm really popping

Pull up on your block with a stick and get to mopping
I'm literally talking in this bitch and it's still knocking
She gon' pop it 'cause I'm popping
30 in a 40, feel like I'm squeezing a lemon
Bruce Lee wearing kicks fly, now this Glock kicking
Pop up least expected, like a mention
Niggas want beef 'til I bring it to they kitchen
It's all fun and games 'til I pull up to your block trippin'
Curry in the clip but I'm shooting like Scottie Pippen
Hot sauce, no drive-by, bounced out and walked up
Taped off, stop the capping, you niggas all talk
Difficult, but I make it look simple (Simple)
Rondo with the 9 'cause I stay off my dribble (Off my dribble)
No forensics, no witness, no ballistics (No ballistics)
No attachments, but this Glock got extensions[Chorus]
Stop cappin' (Stop cappin'), I'm really popping (Popping)
How can I slip if I'm the one doing the mopping?
No forensics, no witness, no ballistics (No ballistics)
No attachment, but this Glock got extensions
Stop the cappin' (Stop the cappin'), I'm really popping (Popping)
How can I slip if I'm the one doing the mopping?
No forensics, no witness, no ballistics (No ballistics)
No attachment, but this Glock got extensions
