

# Keep Your Head to the Sky

## Earth, Wind & Fire

[Verse 1]

Master told me one day  
I'd find peace in every way  
But in search for the clue  
Wrong things I was bound to do  
Keep my head to the sky  
For the clouds to tell me why  
As I grew, and with strength  
Master kept me as I repent  
And he said!

[Chorus]

Keep your head to the sky  
Keep your head to the sky

[Verse 2]

He gave me the will to be free  
Purpose to live His reality  
Hey, and I found myself never alone  
Chances came to make me strong  
To step right up and be a man  
Cause you need faith to understand  
So we're saying for you to hear  
Keep your head in faith's atmosphere

[Chorus]

Keep your head to the sky  
So the clouds  
Keep your head to the sky  
So they can tell you why, Lord  
Keep your head to the sky  
Surely, the clouds are gonna tell you why

[Verse 2 repeated]

[Chorus repeated & Phillip Bailey adlibs until the song ends]
