

# Does Anybody Really Know What Time It Is?

## Chicago

[Piano Solo]

[Intro]

[Verse 1]

As I was walking down the street one day  
A man came up to me and asked me  
What the time was that was on my watch  
Yeah... and I said

[Chorus]

(I don't) Does anybody really know what time it is?  
(Care) Does anybody really care? (about time)  
If so, I can't imagine why (Oh no, no)  
We've all got time enough to cry

[Verse 2]

And I was walking down the street one day  
A pretty lady looked at me  
And said her diamond watch had stopped cold dead  
And I said

[Chorus]

(I don't) Does anybody really know what time it is?  
(Care) Does anybody really care? (about time)  
If so, I can't imagine why (Oh no, no)  
We've all got time enough to cry

[Verse 3]

And I was walking down the street one day  
Being pushed and shoved by people  
Trying to Beat the clock, oh, no  
I just don't know, I don't know, I don't know-oh  
And I said... yes, I said

(Background:)

People runnin' everywhere  
Don't know where to go  
Don't know where I am  
Can't see past the next step

Don't have time to think past the last one  
Have no time to look around  
Just run around, run around think why

[Chorus]

(I don't) Does anybody really know what time it is?  
(Care) Does anybody really care? (about time)  
If so I can't imagine why (Oh no, no)  
We've all got time enough to die

[Outro]

Everybody's working (I don't care) I don't care (About time)  
About time (Oh no, no) I don't care
