

Fatal Wound

Uncle Tupelo

don't the lights look empty
when the streets are bare
almost as empty
as the look you give me
when I'm the only one and it's a long one
so it brings you down
so say you have nowhere else to go
and nothing to do
so you hang around
you hang around but you wait around until
you've received that fatal wound columns of sunlight
and glorious cities
oceans of opportunity
and all your decisions seem ancient
but you wait around until
you've received that fatal wound
