

Party In Your Bedroom

Cash Cash

[Intro]

There's a party in your bedroom all night long
There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's a show
Let it go when you're alone

[Chorus]

There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show
Let it go when you're alone
Lips sealed tight
Don't say goodnight

[Verse 1]

Walking down the street
Keepin' hush hush on the scene
No one knows you, such a mystery
Opposite of fun 'til you turn the power on
Then you come out turning up the heat

[Pre-Chorus]

Upstairs all alone
One click for a show
Your roof is on fire
You're losing control

[Chorus]

There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show
Let it go when you're alone
Lips sealed tight
Don't say goodnight

[Verse 2]

Dancing with your hands
Turning strangers into friends
Touch the keys, please, and unlock my heart
You're free to be a freak
Change your picture every week
Show the camera you're a super star

[Pre-Chorus]

Upstairs all alone
One click for a show
Your roof is on fire
You're losing control

[Chorus]

There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show
Let it go when you're alone
There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show
Let it go when you're alone
Lips sealed tight
Don't say goodnight

[Bridge]

It's no debate
When I think of you
Can't stay on track
Cause I can't wait
Can't stay on track
Can't hide the fact
You're all I want, you're all I need
Let's get this party started
Kick it hard
Just you and me

[Chorus]

There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show
Let it go when you're alone
There's a party in your bedroom all night long
There's a lot of talk about you
Cause there's a party in your bedroom all night long
Pretty girl, it's your show

Let it go when you're alone
Lips sealed tight
Don't say goodnight
