

For Reasons Unknown

The Killers

I pack my case
I check my face
I look a little bit older
I look a little bit colder
With one deep breath
And one big step
I move a little bit closer
I move a little bit closer For reasons unknown I caught my stride
I flew and flied
I know if destiny's kind
I've got the rest of my mind
But my heart, it don't beat
It don't beat the way it used to
And my eyes, they don't see you no more
And my lips, they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you no more For reasons unknown
For reasons unknown There was an open chair
We sat down in the open chair
I said, if destiny's kind
I've got the rest of my mind But my heart, it don't beat
It don't beat the way it used to
And my eyes, they don't see you no more
And my lips, they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you, at all
For reasons unknown
For reasons unknown See, my heart, it don't beat
It don't beat the way it used to
And my eyes don't recognize you no more
And my lips, they don't kiss
They don't kiss the way they used to
And my eyes don't recognize you no more For reasons unknown
For reasons unknown
For reasons unknown
For reasons unknown
