

Twisted

Keith Sweat

Oh, yeah, baby
You got to make your mind up
Yeah, Kut Klose, help me out You know you are my lover
(You know you want my lovin', baby)
You got me twisted over you
(Girl, you got me twisted over you) I know I got what you need
(I got what you need right here, baby)
So what you wanna do? Baby, baby, I know
Baby, I love you so
But you don't feel like I do
Tell me what can I do?
But I gotta be strong
(But I gotta be strong)
Did me wrong
(Girl, you did me wrong) When I thought that we were really down
(I thought we were down)
So you say you want me
(Now, you say you want me, girl) Make up your mind
(Ooh, make up your mind)? Cause I? m not gonna be here for long
(I? m not gonna be here for long)
You know you are my lover (You know you want my lovin', baby)
You got me twisted over you
(Girl, you got me twisted over you)
I know I got what you need
(I got what you need right here, baby)
So what you wanna do?
Baby, baby in time (Baby, in time)
Baby, I know you'll find
(I know you'll find)
That what you needed was here (Oh, no, no, no, no, no)
Think about it, my dear
But I gotta be strong (But I gotta be strong)
Did me wrong
(Girl, you did me wrong)
When I thought that we were really down (I thought we were down)
So you say you want me
(Now, you say you want me, girl)
Make up your mind (Ooh, make up your mind) Cause I'm not gonna be here for long
(I'm not gonna be here for long)
You know you are my lover
(You know you want my lovin', baby) You got me twisted over you
(Girl, you got me twisted, baby)

I know I got what you need
(I got everything you need tonight) So what you wanna do?
(Break it on down)
You got me twisted, thinkin'
About the way that things used to be When it was you and me, girl, I was so free
See, you had my heart from the start like Cupid
And I was just downright foolish and stupid
But now, I know the reason for the pain and the headaches
You left me all alone, now, I can't even concentrate I guess I'll wait for the day until you come
back
Because my heart is where your love is at, you got me twisted
You know you are my lover
(You know you are my lovin', baby) You got me twisted over you
(Girl, you got me twisted, baby)
I know I got what you need
(I got everything you need tonight) So what you wanna do?
(What are you gonna do, baby?)
You know you are my lover
(You know I can make you feel
Real good, if you let me, baby)
You got me twisted over you
(Girl, you got me twisted, baby)
I know I got what you need
(I got everything you need tonight)
So what you wanna do?
(What are you gonna do, baby?)
You know you are my lover
(You know, you know, you want my lovin', baby)
You got me twisted over you
(Girl, you got me twisted, baby)
I know I got what you need
(I've got everything your body needs)
So what you wanna do?
(What are you gonna do? Tell me, baby)
You know you are my lover
