

Standing With You

Guy Sebastian

[Verse 1]

The more I tell you you can do this
The more you tell yourself you're useless
Any?advice?right now is?fruitless
You're somewhere only you can go
I?won't pretend to know, so[Pre-Chorus]
Instead of telling you "You'll be alright"
I'm just gon' be that someone by your side
Yeah, let me be that distant satellite
A constant in the sky

[Chorus]

'Cause I'm standing with you tonight
Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
But I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you tonight

[Verse 2]

Your head is full and yet it's hollow
Don't even think about tomorrow
So if you let me I will follow
Oh, if you're gonna go
At least you're gonna know, oh woah

[Pre-Chorus]

Instead of telling you "You'll be alright"
I'm just gon' be that someone by your side
Oh, let me be that distant satellite
A constant in the sky[Chorus]
I'm standing with you tonight
Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
But I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you tonight[Bridge]
I know I may not say the right thing
Let me tell you one thing

Yeah, 'cause there is one thing
You're wrong about
This world would not be a better place
I don't wanna lose you now[Chorus]
Yeah, I will be that voice in your ear
Quietly destroying your fear
You won't even know that I'm here
I'm standing with you tonight
Oh, I will be the pill for your pain
Until the clouds have run out of rain
Close enough but just out of sight
I'm standing with you tonight
[Outro]
Oh, tonight
I'm standing with you tonight
I'm standing with you tonight
