

Collide

Morgan Wallen

[Verse 1]

The dawn is breaking
A light shining through
You're barely waking
And I'm tangled up in you, yeah

I'm open, you're closed
Where I follow, you'll go
I worry I won't see your face
Light up again

[Chorus]

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find you and I collide

[Verse 2]

I'm quiet you know
You make a first impression
I've found I'm scared to know
I'm always on your mind

[Chorus]

Even the best fall down sometimes
Even the stars refuse to shine
Out of the back you fall in time
I somehow find you and I collide

[Bridge]

Don't stop here
I lost my place
I'm close behind

[Chorus]

Even the best fall down sometimes
Even the wrong words seem to rhyme
Out of the doubt that fills my mind
I somehow find you and I collide

[Outro]

You finally find you and I collide
You finally find you and I collide
