

Devastated (feat. lilspirit)

Internet Money

[Verse 1: lilspirit]

Staring at the ceiling
All alone in my room
No, I don't like this feeling
When I don't sleep with you

[Pre-Chorus: lilspirit]

Now I'm five thousand miles away
Without you, I'm just stuck in a daze
And the thoughts in my head, can't erase
Of everything I missed about you, you, you, you

[Chorus: lilspirit]

I don't wanna leave you here devastated
Even though it's not forever, girl
You know how this game goes, we gotta play it
I'll be comin' back for you
Now I'm five thousand miles away (Five thousand miles)
I can't wait to get out of this place
I don't wanna leave you sittin' here waiting
Even though it's not forever, girl

[Verse 2: lilspirit]

Rain falls on the window
It reminds me of you
Summer days, I miss those
Sitting under the blue

[Pre-Chorus: lilspirit]

Now I'm five thousand miles away
Without you, I'm just stuck in a daze
And the thoughts in my head, can't erase
Of everything I missed about you, you, you, you

[Chorus: lilspirit]

I don't wanna leave you here devastated
Even though it's not forever, girl
You know how this game goes, we gotta play it
I'll be comin' back for you
Now I'm five thousand miles away
I can't wait to get out of this place
I don't wanna leave you sittin' here waiting
Even though it's not forever, girl
