

# Somewhere In the Night

Yvonne Elliman

Time you found time enough to love  
I found love enough to hold you tonight  
I'll stir the fire you feel inside  
Until the flames of love enfold you

Laying beside you  
Lost in the feeling  
So glad you opened my door  
Come with me

Somewhere in the night we will know  
Everything lovers can know  
You're my song  
Music too magic to end  
I'll play you over and over again

Loving so warm  
Moving so right  
Closing our eyes  
And feeling the light  
We'll just go on  
Burning bright

Somewhere in the night

You'll sleep when the morning comes

And I'll lie and watch you sleeping

And you'll smile

When you dream about the night

Like it's a secret you've been keeping

Laying beside you

Lost in a feeling

So glad you opened my door

Come with me

Somewhere in the night we will know

Everything lovers can know

You're my song

Music too magic to end

I'll play you over and over again

Loving so warm

Moving so right

Closing our eyes

And feeling the light

We'll just go on

Burning bright

Somewhere in the night
