

Touch

Seal

Without your touch I've been lost without the thing I love
Without your kiss I've been dreaming of the things I miss
Your eyes, your mouth, your lips,
your touch
(Your eyes), (your mouth), (your face), (your touch) Who am I (Who am I)
Not to take (I'm not to take)
A walk with me (a walk with me), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
A walk with me (Will it show) let it be
Each day I miss, I remember times I use to kiss
Your mouth (Your mouth), your eyes (your eyes), your face (your face), your touch (your
touch) Who am I (Who am I)
Not to take (I'm not to take)
A walk with me (a walk with me), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
A walk with me (Will it show) let it be (Still I need to know), (What time it sell), (Will real it
show)
(Still I need to know), (What time it sell), (Will real it show) And I say
Who am I (Who am I)
Not to take (I'm not to take)
A walk with me (a walk with me), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
A walk with me (Will it show) let it be
Who am I (Who am I)
Not to take (I'm not to take)
A walk with me (a walk with me), no one knows, (still)
Who am I (I need to know)
Not to take (What time it sell)
A walk with me (Will it show) let it be Your mouth, your eyes, your face, your touch
Your touch, your touch, your touch, your touch.
