

Follow Me Down (feat. Neon Hitch)

3OH!3

Take me, take me out of here
it makes me feel so, feel so
na-na-na-na-na.Baby, baby here we are all crazy
You don't have to worry
na-na-na-na-na.So follow me down (Where to?)
Out of this town (With you?)
Girl you're moving way too slow
So follow me down (Which way?)
I'll show you around (Okay.)
There's a place we got to go
Follow me, follow me
fa-la-la-la-la
Follow me, follow me
fa-la-la-la-la
Ohh-woah-oh
Ohh-woah-oh
Ohh-woah-oh
