

Pussycat

Wyclef Jean

Pussycat, pussycat, I love you
Yes, I do
You and? One, two
We gone send this one out to all the pussycats
Strugglin' out there, let's go Whoa, whoa, whoa
See that pussycat
Whoa, whoa, whoa
See that pussycat
Whoa, whoa, whoa
See that pussycat
Whoa, whoa, whoa
Pussycat, lay back, take a sip of this yak
Feel me on this track
Girl, let me spell out pussycat
You're the P U S S Y C A T
That's Clef in the drop Lex
Keep the prophylactics for safe sex Manicure, pedicure
Human hair from the Korean stores
Ghetto cats, got your back
I keep a gat for the alley cats
Sexy cat, rough cat
Doggy style on the floor mat
But make sure you wear your mitten
Or pay child support for your kitten What's new pussycat?
Whoa, whoa, whoa, whoa
Whoa, whoa, whoa
See that pussycat
Whoa, whoa, whoa
See that pussycat
Whoa, whoa, whoa
See that pussycat
Whoa, whoa, hold up, wait a minute To all my hood kitties
Don't you pull your claws
There'll be none of that on the dance floor
For the battle cats I got metaphors
You don't wanna test
You got sweaty paws Which part you don't understand
Don't let it be another cat scan
Talk a ice when my shine reacts
I leave you blind wit a cataract Aye yo
But did anybody see my bobcat
Anybody

It's been three weeks and we still haven't spoken
 Oh, Lord
 She found some mitten inside of my glove compartment
 I said, "It wasn't mine"
 She said, I'm a cat that was lyin'
 So, hey kitty-kitty, meet me in the city
 You know dogs we always on the gritty gritty
 Freaky deaky in the pretty puddy-puddy
 So baby girl, let me ride the pony pony
 What's new pussycat?
 Whoa, whoa, whoa, whoa
 Whoa, whoa, whoa
 See that pussycat
 Whoa, whoa, whoa
 See that pussycat
 Whoa, whoa, whoa
 See that pussycat
 Whoa, whoa, whoa
 Yo, where my freaky cats?
 Ready to do anything
 Put the blind fold on
 Girl, let me feel your tongue ring, bling
 Now I'm a quick cat
 Before your mama get back, cat
 Let me hit this with the quickness
 Feel my physical I'm fitness
 Aye, baby turn the a/c on
 It's hot up in here
 The way I stroke your fur
 I make you wanna purr up in here
 Sweat's coming down your back
 Like drops of rain
 Say my name
 Say my name, baby
 See that pussycat
 Whoa, whoa, whoa
 See that pussycat
 Whoa, whoa, whoa
 See that pussycat
 Whoa, whoa, whoa
 To all my independent cats
 Raisin' kittens on through own their own
 Oh, hold your own girl
 And to all my stray kittens
 I got plenty mittens
 And we can get it on, yeah yeah
 All night long
 All night long
 All night long
 Whoa, whoa, whoa, whoa
 Whoa, whoa, whoa, whoa
