

# Down

Sam Tsui & Kurt Schneider

Even if the sky is falling down  
Down, down

You oughta know  
Tonight is the night to let it go  
Put on a show  
I wanna see how you lose control

So leave it behind 'cause we have a night to get away  
So come on and fly with me as we make our great escape

So baby don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry  
Baby are you down down down down down  
Down, down  
Are you down down down down down  
Down, down

Just let it be  
Come on and bring your body next to me  
I'll take you away, hey  
Turn this place into our private getaway

So leave it behind 'cause we have a night to get away  
So come on and fly with me as we make our great escape

So why don't we run away

And don't worry  
You'll be my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry  
Baby are you down down down down down  
Down, down

Are you down down down down down  
Down, down  
Ooh

So baby don't worry  
You are my only  
You won't be lonely  
Even if the sky is falling down  
You'll be my only  
No need to worry  
Are you down down down down down  
Down, down  
If the sky is falling down  
Are you down down down down  
Down
