

When All Is Said and Done

Trapt

You have a chance to really shine now
Well patience never was one of your true virtues
Stop trying to control everything, and fuck what they say
What do you have to prove? So why am I waiting?
This time that I'm wasting
If that's what you mean
So why am I waiting?
This time that I'm wasting
If that's what you mean
How will this be when all is said and done?
Will I know where I'm from, remember me?
Where will I be?
I guess I'm on the run
And time is catching up behind me
Behind me, yeah
Behind me, you
Behind me And I'm scared to be the only one
Who sees the hourglass empty, cuz too much time went by
Why do I try to prove that I will be ready for everything thrown at me So why am I waiting?
This time that I'm wasting
If that's what you mean
So why am I waiting?
This time that I'm wasting
If that's what you mean
How will this be when all is said and done?
Will I know where I'm from, remember me?
Where will I be?
I guess I'm on the run
And time is catching up behind me How will this be when all is said and done?
Will I know where I'm from, remember me?
Where will I be?
I guess I'm on the run
And time is catching up behind me These thoughts trickle down,
Imaginary lines cut through the ground
These thoughts trickle down,
Imaginary lines cut through the ground So why am I waiting?
This time that I'm wasting
If that's what you mean
So why am I waiting?
This time that I'm wasting
If that's what you mean How will this be when all is said and done?
Will I know where I'm from, remember me?

Where will I be?
I guess I'm on the run
And time is catching up behind me
How will this be when all is said and done?
Will I know where I'm from, remember me?
Where will I be?
I guess I'm on the run
And time is catching up behind me
