

# Hail to the King

## Avenged Sevenfold

Watch your tongue or have it cut from your head  
Save your life by keeping whispers unsaid  
Children roam the streets now orphans of war  
Bodies hanging in the streets to adore  
Royal flames will carve a path in chaos  
Bringing daylight to the night  
Death is riding into town with armor  
They've come to take all your rights  
Hail to the king. Hail to the one  
Kneel to the crown. Stand in the sun

Hail to the king

Hail!

Hail!

Hail!

The king

Blood is spilt while holding keys to the throne  
Born again but it's too late to atone  
No mercy from the edge of the blade  
Dare escape and learn the price to be paid  
Let the water flow with shades of red now  
Arrows black out all the light  
Death is riding into town with armor  
They've come to grant you your rights  
Hail to the king. Hail to the one  
Kneel to the crown. Stand in the sun

Hail to the king

Hail!

Hail!

Hail!

The king

There's a taste of fear  
When the henchmen call  
Iron fist to tame the land  
Iron fist to claim it all

Hail to the king

Hail to the one

Kneel to the crown

Stand in the sun

Hail to the king. Hail to the one  
Kneel to the crown. Stand in the sun  
Hail to the king

Hail!

Hail!  
Hail!
