

# Instant Crush (feat. Julian Casablancas)

## Daft Punk

I didn't want to be the one to forget  
I thought of everything I'd never regret  
A little time with you is all that I get  
That's all we need because it's all we can take  
One thing I never see the same when you're 'round  
I don't believe in him — his lips on the ground  
I wanna take you to that place in the "Roche"  
But no one gives us any time anymore  
He ask me once if I'd look in on his dog  
You made an offer for it, then you ran off  
I got this picture of us kids in my head  
And all I hear is the last thing that you said 'I listened to your problems  
Now listen to mine'  
I didn't want to anymore, oh oh ohh  
And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Cause I know it unlocks like a door And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Gotta give it up or give it away Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Some more again  
It didn't matter what they wanted to see  
He thought he saw someone that looked just like me  
The summer memory that just never dies  
We worked too long and hard to give it no time  
He sees right through me, it's so easy with lies  
Cracks in the road that I would try and disguise  
He runs his scissor at the seam in the wall  
He cannot break it down or else he would fall 1,000 lonely stars  
Hiding in the cold  
Take it, oh I don't wanna sing anymore 'I listened to your problems  
Now listen to mine'  
I didn't want to anymore, oh oh ohh And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away Now I thought about what I wanna say

But I never really know where to go  
So I chained myself to a friend  
Cause I don't know what else I can do And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Cause I don't know what else I...  
I don't understand, don't get upset I'm not with you...  
We're swimming around, it's all I do  
When I'm with you And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Cause I don't know what else I can do And we will never be alone again  
Cause it doesn't happen every day  
Kinda counted on you being a friend  
Can I give it up or give it away Now I thought about what I wanna say  
But I never really know where to go  
So I chained myself to a friend  
Cause I don't know what else I can do
